

The VLRB will continue to accept electronic filings, in all cases with two exceptions. The first exception is in Petitions for Election. Because these Petitions for Election must be accompanied by sufficient showing of interest, the original must be filed with the Board to initiate the action. Subsequent filings can be made electronically. The second exception is with hearing exhibits. The Board requires four hard copies plus the original. Hard copies should be sent to 6 Baldwin Street, Suite 307, Montpelier, VT 05633-6101. Please include the zip code plus four as this is how our postal workers separate the mail. Call 802-828-2700 if you have questions.
