**The Evolving Vermont Labor Relations Law, 4th Edition** - The purpose of this treatise is to present Vermont labor relations practitioners with a comprehensive treatment of statutory, case law and administrative developments impacting labor relations in the state. It is authored by Board Executive Director Timothy Noonan. This fourth edition is updated through the end of October 2018. It updates case precedents and other developments since the third edition was released in 2015. It combines the discussion on case law precedents in substantive areas of the law, and Board practices and procedures, in one integrated publication. Further, there is extensive discussion on the historical development of Vermont labor relations acts and the administration of the acts by the Labor Relations Board.

**Past Volumes of Board Opinions** - Past volumes of Board Opinions, covering the years 1977 through 2016, are available to purchase in soft-covered or permanently bound editions. See below for special offer. (These opinions also are available on the Board website: <http://www.vlrp.vermont.gov>)
